Squirrels on Skis (Beginner Books(R)) J. Hamilton Ray

This new Beginner Book about manic skiing squirrels—by J. Hamilton Ray with illustrations by Pascal Lemaitre—has the feeling of an old classic read-aloud. "Nobody knew how the mania grew. First there was one, and then there were two. Three more came gliding from under the trees. LOOK! On the hill. Those are squirrels on skis! Below lay the town, snow-covered and still. Not a sound could be heard. All was silent, until . . . *Swwwwishhhh* swooped the skiers, all dressed for play. Eighty-five squirrels and more on the way!" As you can imagine, the townsfolk are NOT amused. Can intrepid reporter Sally Sue Breeze find out where the squirrels are getting their skis—and make them stop skiing long enough to eat lunch—before pest-control guy Stanley Powers sucks them up in his vacuum device? (Don't worry—Sally triumphs in a most unexpected way.) With delightfully understated, funny illustrations by Pascal Lemaitre, this is the perfect book for beginning readers to curl up and chill out with on a snow day—or any day!

Originally created by Dr. Seuss, Beginner Books encourage children to read all by themselves, with simple words and illustrations that give clues to their meaning.

From the Hardcover edition.

From reader reviews:

Larry Dolin:

Reading a reserve tends to be new life style within this era globalization. With examining you can get a lot of information that will give you benefit in your life. Together with book everyone in this world can certainly share their idea. Textbooks can also inspire a lot of people. Plenty of author can inspire all their reader with their story or maybe their experience. Not only the storyline that share in the publications. But also they write about the information about something that you need illustration. How to get the good score toefl, or how to teach your children, there are many kinds of book that you can get now. The authors on earth always try to improve their skill in writing, they also doing some analysis before they write for their book. One of them is this Squirrels on Skis (Beginner Books(R)).

Cathy Lantz:

Many people spending their moment by playing outside together with friends, fun activity along with family or just watching TV all day every day. You can have new activity to pay your whole day by examining a book. Ugh, do you think reading a book can really hard because you have to use the book everywhere? It all right you can have the e-book, delivering everywhere you want in your Smartphone. Like Squirrels on Skis (Beginner Books(R)) which is having the e-book version. So , why not try out this book? Let's find.

Hermelinda Anthony:

Do you like reading a reserve? Confuse to looking for your selected book? Or your book seemed to be rare? Why so many issue for the book? But almost any people feel that they enjoy regarding reading. Some people likes examining, not only science book but in addition novel and Squirrels on Skis (Beginner Books(R)) or maybe others sources were given know-how for you. After you know how the good a book, you feel desire to read more and more. Science guide was created for teacher or perhaps students especially. Those books are helping them to include their knowledge. In different case, beside science book, any other book likes Squirrels on Skis (Beginner Books(R)) to make your spare time more colorful. Many types of book like this.

Jean McCallum:

What is your hobby? Have you heard which question when you got college students? We believe that that issue was given by teacher on their students. Many kinds of hobby, Everybody has different hobby. And you also know that little person just like reading or as reading become their hobby. You have to know that reading is very important in addition to book as to be the thing. Book is important thing to incorporate you knowledge, except your current teacher or lecturer. You see good news or update in relation to something by book. Many kinds of books that can you choose to use be your object. One of them is Squirrels on Skis (Beginner Books(R)).
