With his life in ruins, Richard, Duke of Cleybourne, returned to his country estate to deal with the tragic loss he had suffered four years earlier. His plans, however, were interrupted by the arrival of Miss Jessica Maitland. The feisty, flame-haired governess had come to present her charge, Gabriella, as his new ward.

As if their unwelcome presence weren't bad enough, Jessica also revealed that Gabriella was in danger. Someone was after the girl's fortune— perhaps someone the duke knew only too well.

Now fate and a raging snowstorm have brought together an odd assortment of guests at Cleybourne Castle. And when murder strikes, Richard and Jessica must catch a killer and unravel a dark mystery, even as they are plunged into the most passionate *mystery* of all—the secrets of the hidden heart.
