Romance Junkies As the sultry midnight heat of Georgia envelops the good people of Savannah, the Midnight Mistress breathes her naughty suggestions into their ears. Every night from midnight to dawn, Savannah turns on its radios and listens to her deep, throaty voice purring and moaning her hypnotic words of passion. She has the unsuspecting city completely drugged by the magic spell she weaves around them. Everyone that is except the man who plans to brutally murder her . . . Brandi Heartt is an extremely beautiful redhead who has lived through the worst kind of pain and betrayal any child should go through. Or will the spurned admirer who is killing his way through the young women of Savannah, finally get his ultimate revenge and savagely end Brandi's life? MIDNIGHT MISTRESS by Audrey Godwin was one fabulous read! Once I started reading, I literally couldn't quit until it was finished! This novel has it all; a wonderfully descriptive setting, a plot that is well thought out and fast paced combined with the most amazing cast of characters. You can't wait to see how it's all going to end. This is a great summer read and I know I am avidly looking forward to her next novel! Romance Junkies
