Rules of the Game Neil Strauss

If you want to play the Game, you've got to know the Rules.

In his international bestseller *The Game*, Neil Strauss delved into the secret world of pick-up artists—men who have created a science out of the art of seduction. Not only did he reveal the techniques that they had developed, but he became a master of The Game, and the world's No. 1 PUA, as Style.

Now, in this bestselling companion, Strauss reduces three books of life-changing knowledge into a single-volume set. The first book, *The Stylelife Challenge*, breaks down the knowledge he learned and techniques he invented into simple step-by-step instructions that anyone can follow to meet and land the women of their dreams.

In the second book, Strauss takes readers into the dark side of The Game. *The Style Diaries* offers a series of tales of seduction and sexual (mis)adventure. From accidentally getting married during a drunken night in Reykjavik, to luring a famous musician's granddaughter into a threesome; to the stress and frustration of the torturous and highly unorthodox "30 Day Sex Experiment," *The Style Diaries* takes you further into the seduction underworld than ever before. Finally, in the all-new, updated third volume, Strauss collects the greatest, most powerful, field-tested, word-for-word routines.

You don't need money, looks, or fame to succeed with women. All you need is an understanding of how attraction works—and this thirty-day workout program for your social skills, which has already guided countless men from frustration to fulfillment.
