## **The Holy Book of Women's Mysteries** Zsuzsanna Budapest

A women's spirituality classic now back in print! *The Holy Book of Women's Mysteries* is essential for Pagans, feminists, and women seeking to learn more about the spiritual path as it relates to the feminine and the Goddess aspects of witchcraft and Wicca. This book is not about reinstating a matriarchy or tearing down patriarchy; it is about women's spirituality and its relationship with politics and lifestyle. Z. Budapest is one of the founding mothers of modern women's witchcraft, beginning with the establishment of Susan B. Anthony Coven in Los Angeles in 1971. She catapulted herself into the media spotlight when she was tried as a witch and found guilty in 1975 after being arrested on Venice Beach for reading tarot cards. She fought the charges and, after a nine year battle, won the right for every tarot reader to do so legally. *The Holy Book of Women's Mysteries* is a seminal text that contains invaluable information on Dianic witchcraft and spells, including everyday magick, sabbat rituals, and divination methods; a section on how vegetarian theories and politics relate to witchcraft and the feminine aspect; and a good deal of information on goddesses and how the patriarchal religions distorted old myths to serve their own needs. There are several unique and beautiful Rites of Passage for women and men that you don't often find, and Budapest's personal life stories are an equally valuable read, from her escape across the mountains from Communist Hungary to her fight for women's religious freedom upon moving to America. \* This reprint features a new introduction by Z. Budapest, in addition to essays by luminaries such as Starhawk and Merlin Stone.
