**The Marriage Recital: A Novel** Katharine Grant

**"Extremely impressive . . . . A wonderful read from a born storyteller." -Chris Cleave, *New York Times* bestselling author of *Little Bee***

**The setting:** London, 1794.

**The problem:** Four *nouveau riche* fathers with five marriageable daughters.

**The plan:** Give the young women piano lessons. Present them at a concert performance for young Englishmen with titles but no fortunes. Marry off the daughters-very well, indeed.

**The complications:** The lascivious (and French) piano teacher; the piano maker's jealous (and musically gifted) daughter; marriageable daughters with mating plans of their own.

While it might be a truth universally acknowledged that a man in possession of a title and no money must be in want of a fortune, what does a sexually awakened young woman want? In her wickedly alluring romp through late-Georgian London, Italian piano-making, and tightly fitted polonaise gowns, Katharine Grant has written a startling and provocative debut in *The Marriage Recital*.
