Ascensões Humanas (Portuguese Edition) Pietro Ubaldi

Numa Terra cindida por tantos separatismos e diante de um amanhã nebuloso, Pietro Ubaldi nos ensina que a história se dirige para a formação da unidade-síntese superior, quando a humanidade deverá atingir um nível de vida mais alto, mais espiritualizado, surgindo, em consequência, uma civilização mais amadurecida. O nosso momento histórico se exaurirá, não com a destruição do homem e do planeta, mas para dar lugar ao nascimento de um novo homem, numa nova Terra cristianizada. O Autor demonstra neste livro que o mundo caminha para as grandes unidades: religiosa, política, econômica, filosófica etc. Cairão as barreiras que hoje dividem os povos, os partidos, as religiões e as filosofias, cessando os atritos sociais. Examinando com profundezas de conceitos o erro moral de nosso tempo - e suas consequências desastrosas, que levaram a civilização materialista de hoje a uma grande crise -, o livro expõe o imperativo da necessidade da comunhão espiritual como condicionante para a maior aproximação entre a criatura e o Criador.
