In each installment of *7 Hours*, a character is visited by the enigmatic Thomas Constant, who makes a heart-stopping statement: “You are about to die. But you may choose from one of three options: Live seven more hours, travel back in time and relive seven hours, or accept the inevitable and die now.”

Mattie Bigham has lost his job, is losing his wife, and is not losing any weight. At just under four hundred and fifty pounds, he figures his doctor’s prediction that he’s going to drop dead any second is about to come true. He is right.

When Thomas Constant appears, Mattie chooses murder—to carry out revenge on the bully who tormented him all through school. Except when he arrives for the showdown, he’s shocked to find this man in a scenario not unlike his own. Things get complicated quickly, and time is running out.

The clock is ticking. What will you do with the time you have left?
