## Foundations & Concrete Work

Building a good foundation is critical to any home. Is it glamorous work? No, but it's vital as it provides a solid structure upon which all other work rests. Written by seasoned builders from across the country, this revised edition of *Foundations & Concrete Work* features 15 new articles from *Fine Homebuilding* magazine, the most respected residential construction magazine in the country. With more than 300 on-the-job photos and drawings, this resource distills decades of hands-on, builder-tested methods and techniques and places them right into your hands. *Foundations & Concrete Work*, with its fresh new design and completely updated content, will secure its reputation as the most respected, widely followed how-to guide for dedicated pros and passionate amateurs.
