Marshall Thornton

Full Release Marshall Thornton

Studio accountant, Matt Latowski orders an erotic massage on the one-year anniversary of a bad break-up, but is surprised when the masseur calls him a couple weeks later to ask him out on a date. Unable to say no to a freebie, Matt begins a journey that eventually leads to his becoming a murder suspect. As the police close in on him, Matt is left with no choice but to turn the tables and become an erotic masseur himself in order to find the murderer. Along the way he meets Detective Aaron Tripp, sparks fly as Matt wonders whether the detective might be the murderer, or the murderer's next victim? "Marshall Thornton has created an impressive thriller that I very much enjoyed." Chocolate Minx, Literary Nymphs
