No matter who you are or what you believe, you have the power to manifest what you want in life—a dream job, wealth, love, and health.

In this concise and fascinating book, Tony Burroughs shows readers how to work with the Law of Agreement to change old beliefs about money, relationships, and health issues that are holding them back. He shares stories from his years of working with people from all over the world who are practicing living intentionally bringing into their lives that which serves the higher good and discarding the rest.

*The Law of Agreement* says that as we lend our agreement to any belief, we reinforce it and make it stronger. Alternatively, as we refrain from lending our agreement to an idea that isn't likely to give us the results we're looking for, we dilute it and weaken its power over us and over everyone else simultaneously.

Burroughs offers examples and stories that show how the Law of Agreement and its partner, the Law of Adversity, work simultaneously. What happens when we don't get what we want? What is the opportunity in adversity? The Law of Agreement shows how adversity can lift us up and out of our routines and help us to reach deep inside ourselves for answers to life's hardest questions.

Full of real-life stories, examples, and solutions, The Law of Agreement is a practical and world changing book.
