This is an eight-session youth group meeting experience designed to equip young people to respond to the toughest crises their peers may face. Addressing each issue covered in the Friendship 911 Collection, students learn how to help their friends with "Tender Loving Care" and in the process become a powerful witness of God's love and care. Students also complete daily activities between group sessions, 35 activities in all. An optional video supplement augments each youth group session with powerful visuals and dramatic illustrations of youth struggling with each of the eight crises. Shaded sections in the Friendship 911 Leader's Guide indicate when and how to use this optional video supplement.
