You asked for it and you got it! More tunes to play at festivals and jams or just sittin' at home with a friend or two. 62 more tunes with both basic and advanced standard notation lines with suggested chords as well as a "mandolin" tablature line to get you going in the right direction and playing these old-time favorites. As in Old-Time Festival Tunes for Fiddle and Mandolin (MB21023M), you will find some of the tunes to be straightforward while others promise to be genuine finger twisters! The book revisits some of the author's old favorites and some time-tested standards. The accompanying extended length online audio includes each tune on both fiddle and mandolin, with a separate recording for each instrument. There is also a clawhammer banjo companion to this book titled Old-Time Favorites for Clawhammer Banjo (MB30224M) which shares the same basic standard notation line in this volume.
