David Albahari

Canción muda (Deleste (del Este)) (Spanish Edition) David Albahari

Canción muda, relato posmoderno y fragmentario que ensambla personajes y situaciones delirantes entre Calgary y Belgrado pasando por Nueva York y Zagreb, cierra y da nombre a esta antología de relatos seleccionada por el propio autor en 2009. El libro articula un viaje temporal desde sus inicios, partiendo de una narrativa más introspectiva y enfocada a lo familiar, hasta la pluralidad de técnicas e intereses temáticos propios de la escritura madura de Albahari. Una relectura (¿auto?)irónica del simulacro de una inexistente rebelión contracultural en la Yugoslavia titista (Canción muda), la experiencia agridulce de la comunicación incompleta del emigrante en otro continente (Loco país, Otro idioma, Aprendizaje de cirílico) o una insólita recreación de la vida interior del Papa (El Papa) son algunas de las múltiples direcciones en que el autor guiará tomando de la mano al lector para que no se pierda entre las turbulencias de la vida real y los fuegos de artificio elevados a magnitud catedralicia (La basílica de Lyon) de los proteicos planos narrativos de algunos de los cuentos.

David Albahari es probablemente el prosista en lengua serbocroata vivo más relevante.
