Country Club District of Kansas City, The LaDene Morton

ONE OF THE GRAND EXPERIMENTS OF AMERICAN URBAN PLANNING lies tucked within the heart of Kansas City. J.C. Nichols prized the Country Club District as his life's work, and the scope of his vision required fifty years of careful development. Begun in 1905 and extending over a swath of six thousand acres, the project attracted national attention to a city still forging its identity. While the district is home to many of Kansas City's most exclusive residential areas and commercial properties, its boundaries remain unmarked and its story largely unknown. Follow LaDene Morton along the well-appointed boulevards of this model community's rich legacy.
