### Plant Hedges

With the divorce rate steadily climbing and infidelity creeping into even the happiest marriages, in a society that trivializes adultery and its devastating effects, with temptation and opportunity coming at you from all directions-*how can you keep your marriage from becoming a statistic?*

The advice from best-selling author Jerry B. Jenkins is this: plant preventative hedges around your marriage. These hedges are practical ways to avoid compromising situations and giving temptation a foothold in your life.

Jenkins's real-life stories of how temptation can slip in undetected and, in a dizzying whirl of deception and betrayal, cause a marriage to crumble are a wake-up call for all married couples. He openly shares insights from his own marriage as well as the hedges he has been using for years.

In this newly revised and updated edition with a DVD message from the author and a new study guide for group and personal use, *Hedges* is more helpful than ever.
