Messages From the Light: True Stories of Near-Death Experiences and Communication from the Other Side Christopher Coppes

Messages from The Light makes clear that we are heading for a more wonderful future, but first we must realize that we have grossly neglected the spiritual part of ourselves and have focused too much on our own short-term self-interests. We have created a materialistic "I don't care about you" society.

When our physical body dies, our spirit will discover that it does not only belong to our material, four-dimensional world, but also to something that is so much greater, more wonderful, and more thrilling. In this "unity universe," there are no lesser souls--we are all interconnected and connected to the Light, the ultimate unconditional love.
