TNTC Acts (Tyndale New Testament Commentaries) I. Howard Marshall

In the book of Acts, the story of Jesus begun in the Gospel of Luke broadens into the story of the Holy Spirit, guiding the fledgling church to proclaim the saving reality of Jesus. While attentive to Luke's roles as a literary artist and theologian, I. Howard Marshall focuses primarily on Luke's role as a historian. He provides the reader with an accurate, balanced and holistic picture of the church's monumental first years as it sought to fulfil Christ's mandate to preach the gospel to the ends of the earth. This classic commentary has been completely retypeset and presented in a fresh, vibrant new large paperback format, with new global branding.
