## **Wrong Attitude: A brief guide to living and visiting Thailand** Steve Price

This is not a comprehensive guide book telling you where to go and what to see. It does not have pretty pictures. It is a guide on how you should act and behave in Thailand. It is written in a truthful way and sometimes a little hard. People come to Thailand with the wrong attitude. Thailand is not the western world, but it is a beautiful place with beautiful people. You just need to open your eyes and mind.
