This is an 8 CD set with an added bonus CD plus a pdf workbook. Mega Learning is a unique program that will show you how to activate all 12 intelligences using a unique set of tools. For instance, you'll discover the mind-opening power of other innovative unconventional tools such as music, sound, and visual surroundings. These techniques are fascinating and fun, and you'll be amazed at how powerfully they affect your ability to learn. You'll also discover the power of color to stimulate learning. Just purchase a set of colored gels, not included in this set, and by placing certain colors over reading material, you'll absorb the information faster and far more thoroughly than you ever thought possible. You'll be able to:

- * Learn any subject or task in a fraction of the normal time
- * Increase test scores by as much as 60%
- * Absorb technical manuals, reports, and numerical data in less time and with less effort
- * Cut corporate training time in half while increasing retention by up to 80%
- * Maximize learning through the effective use of music and sound
- * Make learning immediately easier and improve memory using the secrets of color
- * Create ideal working and learning environments
- * Dramatically boost confidence and self-esteem
- * And much more!
