Migrations internationales, santé et droits humains (Série de publications santé et droits de l'homme) (French Edition) World Health Organization

Cette publication donne un aperçu de certains des défis majeurs que les responsables politiques sont appelés à relever en se penchant sur les liens existant entre migrations, santé et droits humains. Les données disponibles sont peu nombreuses, aussi le tableau dressé par cette publication n'est-il pas complet. Elle s'efforce toutefois de fournir un point de départ utile qui incitera à prendre des mesures pour aborder la question des migrations et de la santé de manière approfondie et dans le souci des droits humains.
