New frontiers of antitrust 2013: Competition Law in times of Economic Crisis - In Need of ajustement ? (Competition Law/Droit de la concurrence) (French Edition) Nicolas Charbit

This volume contains the papers presented at the annual Concurrences Journal conference held on 22 February 2013 at the French Parliament.

After a key note paper from Commissioner Joaquin Almunia on the state of competition policy enforcement in the EU in 2013, the papers adress four main issues :

- Opening competition in protected sectors: Should new entrants be protected?
- Personal data: Will competition law collide with privacy?
- Private enforcement: Will the wave be coming from Brussels, London, Paris or... elsewhere?
- Industrial policy: Can a pro-competition industrial policy exist?

The volume ends by a contribution of Fleur Pellerin on innovation and competition.
