The ever-present threat of terrorism is a worry for many following the high-profile terrorist attacks of the past decade, which have included the 9/11 and 7/7 bombings. Although incidents of terrorism have fallen in recent years, it is still an issue which is high on the political and public agenda. This book looks at the many issues surrounding terrorism and violent extremism, including Irish Republican terrorist groups, Islamic extremism, animal rights extremism, and at effective counter-terrorism measures.
