The Day I Died Steve Sjogren **An Unforgettable Story of Life After Death**

"The cold voice of the anesthesiologist recited the typical 'count backward from 10' cadence. Darkness closed around me before he got to 7. That's when I found out what it's like to die--and to come back from the dead."

It was a beautiful winter's day, showing no signs of what was to come. Steve Sjogren, pastor of one of America's fastest growing churches, went into the hospital for routine gall bladder surgery and died--twice. What began as a tragic medical accident led to Steve's encounter with death, an experience of unimaginable peace and some surprises, with comforting words from God, a meeting with an angel, and seeing those who had died before him.

If you, or someone you know, are fearful of dying, curious about heaven, or simply desiring to live life to its fullest, this encouraging book could change how you view life and death.
