The Promised One (A 10-week Bible Study): Seeing Jesus in Genesis (Seeing Jesus in the Old Testament) Nancy Guthrie

This first volume in the Seeing Jesus in the Old Testament Bible study series guides women through a Christ-centered study of Genesis.

The Promised One provides a fresh look at the book of Genesis, leading women in discovering how its stories, symbols, people, and promises point to Christ. Over ten weeks of study, participants will see Christ as the agent of creation, the offspring who will crush the head of the serpent, the ark of salvation, the source of the righteousness credited to Abraham, the substitutionary sacrifice provided by God, the Savior to whom the whole world must come for life, and much more.

Each weekly lesson includes questions for personal study, a contemporary teaching chapter that emphasizes how the passage fits into the bigger story of redemptive history, a brief section on how the passage uniquely points to what is yet to come at the consummation of Christ's kingdom, and a leader's guide for group discussion. A ten-session DVD companion set is also available.
