Jill Briscoe has struggled with her faith, battled discouragement, fought temptation, ministered to teenagers and senior citizens, raised three children, moved her family to a foreign land, and searched desperately for God's will. Out of these tough times she has forged her long speaking and writing ministry, with her hallmark candour and insight. She describes the trials of her life with wit and understanding, seeing them as an ongoing battle with the old snake. This new edition of her story brings the narrative right up to date and reflects the tremendous expansion of her international ministry now that she and Stuart have retired from the leadership of Elmbrook church in Wisconsin.
