How to Beat the Pro Football Pointspread: A Comprehensive, No-Nonsense Guide to Picking NFL Winners *Bobby Smith*

In this second edition that takes into consideration the perpetually evolving NFL rules, *How to Beat the Pro Football Pointspread* continues to set bettors on a confidence-building path lined with high-priority realities that for decades have flown under the typical football bettor's radar.

Smith emphasizes that pure football knowledge must be absorbed and then applied to the world of point spreads. He teaches his readers to look at the game with the bettor's eye instead of the fan's, and explains his theories about reasonable statistical expectations and ways to challenge the oddsmakers. He also discusses the implications of coaching styles, stadium locations, and even the weather on each bet made throughout the season.

With years of football betting under his belt, Smith has written a key resource for anyone wagering on America's most popular sport.
