Libro Azul De Colombia (Classic Reprint) Posada Callejas

Excerpt from Libro Azul De Colombia

All the governments of America have paid great attention to the publication of books fully describing the history, geography, commerce, natural wealth, ways of transportation, etc., as well as the progress made by their respective countries, in order to present to the world and leave to posterity a faithful account of the degree of civilization they have attained.

The present blue book OF colombia, relating to the richest and most beautiful of all spanish-american countries, offers to foreigners as well as to Colombians a fairly comprehensive resumé of the past, present and future of that favored republic. The aim of the authors has been to impart exact, reliable knowledge of what the republic of Colombia really is, and for this purpose they have inserted in these pages many worthy writings of her leading men of letters, historians, and geographers.

About the Publisher

Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com

This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
