Kidnapped on the streets of Tangier and sold into slavery, Tariq, Fez, and Aseem are fighting for their lives with the evil warlord, Caid Ali Tamzali, ruler of the Rif Mountains. Joined by British school girl Margaret Owen, also kidnapped and sold to the Caid to join his harem, the four must act quickly to escape before almost certain death—or worse. Although aided by a beautiful assassin and a small but clever band of resistance fighters, their lives depend on their own teamwork, inventiveness, and courage.

This fast-paced historical adventure, set in 1912, transports you from Tangier's corrupt slave markets to the wild frontier of the Moroccan desert, to the heart of ancient China, and the pirate-infested seas of the Mediterranean. The first book in the Red Hand Adventures series, *Rebels of the Kasbah* is an exhilarating tale of adventure, daring, danger and friendship.
