Some say the line between good and evil is narrower than we imagine -- a divide as subtle as a mirror, and perhaps just as deep. To peer into its black, reflective glass is to know the dark potential we each possess, and we cross that obsidian boundary at our peril . . . into a world where we no longer recognize who we are or what we believed ourselves capable of.

In the late twenty-fourth century, decades after the fall of the once-mighty Terran Empire, the Klingon-Cardassian Alliance dominates the worlds that, in another reality, made up the United Federation of Planets. Humanity and its former subject races are now bound together by their shared oppression, slaves to their cruel and brutal conquerors. But a downtrodden few have found the courage and the strength of will to act. Inspired by visitors from another continuum to fight for their freedom, they have rekindled hope . . . and rediscovered an ancient truth: that every revolution begins with a vision.

Star Trek: VOYAGER ® A rebel ship commanded by a former slave named Chakotay attempts to evade pursuit in the Badlands . . . only to encounter a strange ship that was catapulted seventy thousand light-years across the galaxy. On board the craft are two aliens, one of whom has the potential to completely alter the balance of power within the Alliance. But as both sides of the struggle race to get to the stranger first, treachery throws all schemes into a tailspin.

Star Trek: NEW FRONTIER ® Following the Terran Empire's collapse, its longtime rival, the Romulan Star Empire, has absorbed many of the fringe civilizations spread across that part of the galaxy. One of the Romulans' slaves is M'k'nzy of Calhoun, a savage and unpredictable Xenexian who dreams of death . . . and who learns the value of freedom from the unlikeliest of teachers, a Romulan named Soleta.

Star Trek: DEEP SPACE NINE ® One fallen dictator's struggle to regain her power and her position leads to the discovery of a bold rebel plan for a decisive military strike against the Alliance. But while Kira Nerys navigates the dangerous road of politics, sex, and military intrigue that she believes will lead her back to reclaiming the Intendancy, cracks form in the rebel leadership, leading to a showdown that will change the course of the Mirror Universe.
