*Whittaker Chambers*

**Witness (Cold War Classics)** Whittaker Chambers

**#1 *New York Times* bestseller for 13 consecutive weeks!**

First published in 1952, *Witness* is the true story of Soviet spies in America and the trial that captivated a nation. Part literary effort, part philosophical treatise, this intriguing autobiography recounts the famous Alger Hiss case and reveals much more. Chambers' worldview and his belief that "man without mysticism is a monster" went on to help make political conservatism a national force.

Regnery History's Cold War Classics edition is the most comprehensive version of *Witness* ever published, featuring forewords collected from all previous editions, including discussions from luminaries William F. Buckley Jr., Robert D. Novak, Milton Hindus, and Alfred S. Regnery.
