In a world plagued with darkness, she would be his salvation.

No one gave Erik a choice as to whether he would fight or not. Duty to the crown belonged to him, his father's legacy remaining beyond the grave.

Taken by the beauty of the countryside surrounding her, Linzi would do anything to protect her father's land. Britain is under attack and Scotland is next. At a time she should be focused on suitors, the men of her country have gone to war and she's left to stand alone.

Love will become available, but will passion at the touch of the enemy unravel her strong hold first?
