Louis de Wohl

Fundada sobre roca (Arcaduz) (Spanish Edition) Louis de Wohl

Magistral historia de la Iglesia, con la amenidad habitual de Louis de Wohl, imprescindible tanto para el estudioso como para el lector que desee una visión básica de lo que hoy es Europa y todo occidente.

«El Papa Pío XII me animó a escribir un libro sobre la historia y la misión de la Iglesia en el mundo», son palabras del autor en la dedicatoria de esta Historia breve de la Iglesia.

Con su amenidad habitual, Louis de Wohl nos lleva magistralmente a través de los acontecimientos de la historia de los hombres, durante los últimos veinte siglos, en los que la Iglesia fue siempre pieza clave, tanto en cómo se desarrollaron como, frecuentemente, en su misma gestación.

Vemos, en un relato lineal, el admirable desarrollo y la no menos admirable concreción de los valores que han ido dando forma a lo que llamamos, con toda exactitud, cultura occidental; sin que la intervención - tantas veces torpe- de la mano de los hombres haya conseguido torcer los designios de la Providencia divina.

Fundada sobre roca, Historia breve de la Iglesia, es un libro imprescindible, tanto para el estudioso -que encontrará en él las razones profundas de muchos acontecimientos-, como para el lector que desee tener una visión básica de lo que hoy es Europa y todo Occidente.
