## **Authors:**

**Bruce Moran** grew up 50 miles north of Walt World®. Bruce takes his grand kids back to his favorite vacation spot as often as he can.

**Angelia Hashemi** made her first trip to Disney World with her family just before her college graduation in 1994. She has made four more trips since her first visit. She and her husband Joe now make an annual trip for their anniversary. He too has fallen in love with the world and the wonderful vacation options it offers, even for adults without children. Mickey is Angelia's favorite character, with a whole room in her house dedicated to the "Mouse." It allows me to have a little bit of Disney World magic every day of the year.

**Corby Tate** parents took him on his first trip to Walt Disney World in 1979, back when riding in a motor home for days was considered fun. In 2008, Corby got a chance to take his own 6-year old daughter "Maddie" to WDW for her first time. They now treasure all the smiles made possible by Walt Disney's dream, with Maddie counting on many happy returns to WDW.
