## Score One for the Sloths (Laugh-Along Lessons) Helen Lester

The sloths at Sleepy Valley Sloth School were content in their slothfulness. Once in a while the teacher would awake and command them all to yawn or snore, but most of the time, the class just slept. One day, a new sloth arrives. She isn't much like a sloth at all. She is a go-getter, a mover and a shaker—which is to say she actually moves. By mid-morning she's driven the other sloths crazy. They think she's a pest, and she thinks they're nothing but a bunch of bores, that is until a real boar arrives—an official representative of S.O.S. (Society for Organizing Sameness) sent to close the school because of their low academic scores. Something has to be done, and all eyes turn to Sparky. Even with all of her energy though, Sparky can't save the school alone.

Readers are sure to enjoy this humorous tale that celebrates the value of both individuality and being true to oneself.
