"Discovering U.S. History" spans the complex and varied history of the United States from prehistoric times to the present day. This new chronological set can be read as a whole, providing readers with a comprehensive history, or as standalone volumes, with each title serving as a time capsule of a particular era. Each title brings to life the people and events that have shaped the nation through a clear and entertaining narrative, interesting boxed insets, and lively full-color and black-and-white photographs and illustrations. Students will find these books valuable for reports, prime supplements to textbooks, or simply interesting reading.
