The Intimate Lives of the Founding Fathers Thomas Fleming

In *The Intimate Lives of the Founding Fathers* from Smithsonian Books, historian Thomas Fleming, author of *The Perils of Peace*, offers a fresh look at the critical role of women in the lives of Washington, Franklin, Adams, Jefferson, Hamilton, and Madison. Fleming nimbly takes readers through a great deal of early American history, as our founding fathers struggle to reconcile the private and public—and often deal with a media every bit as gossip-seeking and inflammatory as ours today.
