Her Mission: Launch an ICBM

Code Name: Libra

Obstacle: Love

When it's time for double-agent Jordan Jakes, a CIA covert operative, to launch a missile in the remote desert of the Middle East, she's forced to tell her blind asset, NASA scientist Ben Johnson, that their love affair is finished. Only the breakup turns out to be more difficult than she anticipates—and it's not just because she's developed intense feelings for the guy.

When she disappears without a trace, Ben will stop at nothing to find the one woman who he's fallen for hard and fast even if it means boarding a plane that lands him in the middle of a country most Americans might think twice about entering—Iran.

Surviving takes more than being one step ahead of their enemies.

Jordan and Ben must peel back the layers of their emotional armor to overcome a series of obstacles before they can accomplish Jordan's mission. If they have any hope of making it out of the Middle East alive and forming a lasting relationship, they must surrender to love.
