John Bunyan

The Life and Death of Mr. Badman: Presented to the World in a Familiar Dialogue between Mr. Wiseman and Mr. Attentive (|c OET |t Oxford English Texts) John Bunyan

This is the first critical edition of Bunyan's dark and vigorous delineation of provincial vice, a book he described as "the Life and Death of the Ungodly and their travel from this world to *Hell*." First published in 1680, his tale of the greedy, lustful, and exploitative shopkeeper Badman is a vivid account of small-town life in the late 17th century, providing in its realism a precursor to the novel while embodying in its moral abstraction the values and mythology of 17th-century Puritan society. Based on the only authentic extant first edition of 1680, this new edition includes a full introduction and commentary.
