Cristina Kaiser

The Pharmacy Technician's Reference Guide (Point (Lippincott Williams & Wilkins)) Cristina Kaiser
The Pharmacy Technician's Reference Guide is the only pocket guide that gives pharmacy technicians a tool to carry with them through school and into the workforce. It can be used in hospitals and retail settings as a supplementary resource, and serves as a quick reference for the National Certification or as a review for current pharmacy technicians. This tool helps beginning students and practicing pharmacy technicians gain confidence and will ensure patient safety and accuracy in the pharmacy.

A companion Website offers the full text online and also includes electronic flash cards.
