Black Market Frank Barbiere

What's to Love: Here at BOOM!, we've never shied away from exploring the dark crevices of the superhero genre. Black Market mixes the visceral noir/pulp sensibilities of Frank J. Barbiere's Five Ghosts and Victor Santos' Filthy Rich with a truly modern take on superhero mythos. If you love Ed Brubaker and Sean Phillips' work on Sleeper like we do, this series is for you. What It Is: Ray Willis is a broken man, a disgraced medical examiner making ends meet by preparing corpses at a funeral parlor. His scientific genius is being wasted...that is, until his estranged criminal brother Denny shows up on his doorstep, supposedly cleaned-up and proposing a once-in-a-lifetime partnership to cure not just cancer, but all disease. The catch? It exists within the DNA of superheroes. Collects all four issues of the critically acclaimed miniseries. "Black Market is the Breaking Bad of the superhero world." - Comic Book Resources
