## **Camino a Roma (B DE BOOKS) (Spanish Edition)** Ben Kane

El esperado desenlace de la trilogía iniciada con 'La legión olvidada' y 'El águila de plata'. Desde la última y feroz batalla de la Legión Olvidada, Romulus y Tarquinius han viajado por medio mundo hasta llegar a Egipto. Tras ser reclutados por la fuerza para formar parte de las legiones de César en Alejandría, están a punto de ser aniquilados por los egipcios. Pero hay otro enemigo tanto o más peligroso: varios legionarios sospechan que los nuevos reclutas son esclavos que han huido y que por ello deben ser castigados con la crucifixión. Mientras, en Roma, Fabiola, la hermana gemela de Romulus, se enfrenta a un grave peligro. Amante de Bruto desde hace tiempo, está recibiendo atenciones del gran enemigo de éste, Marco Antonio, y se ve involucrada en la conspiración para asesinar a César. Una tragedia se avecina para Fabiola, quien debe decidir si llevar a cabo o dejar de lado sus planes de venganza contra el hombre de quien cree ser hija. Desde los campos de batalla de Asia Menor y el norte de África, hasta las calles sin ley de la ciudad de Roma y las arenas repletas de gladiadores, los tres protagonistas deben usar sus habilidades para sobrevivir a las intrigas de la guerra civil. A medida que los eventos comienzan su despiadada marcha hacia los fatídicos Idus de marzo, la hora de la verdad los espera. Con una fascinante combinación de historia y ficción que atrapa al lector hasta la última página, Ben Kane nos envuelve de nuevo en las apasionantes aventuras de estos tres personajes que se enfrentan por última vez a su destino.
