**Manhattan's sharpest gossip columnist tangles with brawlers, triggermen, and dames**

The most important people in the world come to Broadway—to eat in restaurants, dance in nightclubs, and die in rain-slicked back alleys. Whatever the big names are doing, Jerry Tracy hears about it—and tells the world in his infamous *Daily Planet* column. As quick with his typewriter as he is with a .45, Tracy can break a nose as easily as he breaks a news story. But beneath his hard exterior, this columnist has a kind heart, and a sense of justice that will make him do crazy things for a woman in trouble, or a friend with a murder rap hanging over his head.

Featuring every Jerry Tracy story ever published in *Black Mask*, this collection is an invaluable compendium of one of early noir's most original heroes. Written in machine gun prose that would make Damon Runyon proud, these stories describe a man whose words are tough—and whose fists are even tougher.

This ebook features an introduction by Boris Dralyuk.
