Monsters Made Me Gay: Swamp Ape Gangbang Hank Wilder

Chris is thankful that he got out of Florida, having made a name for himself as a young male model in big city New York. But that doesn't excuse him from taking trips home to see his family every now and then.

After driving for days, Chris suddenly finds himself lost and broken down on the side of the road after a large creature steps out from the swamp. Worried that the legendary Florida Swamp Ape might be tracking him down, he finds his way to an old abandoned house deep in the marsh.

Unfortunately for Chris, the house already has some new residents; and they're hairy, huge and horny. It looks like the only way for him to get back to civilization is through a gay, beastly gangbang.

This is a hardcore gay gangbang story, featuring anal, double anal, straight to gay turning, anal cream pies, dub-con, monster sex, bukkake, rough sex, and swamp apes.
