Wave Riding: The Life and Times of a Surfer Neil Grunig

"Wave Riding: The Life and Times of a Surfer" is an autobiographical surge that will take you on a whirlwind ride with dancing dolphins, beautiful sunsets, twenty-foot waves, and a flying flock of pelicans gliding along the face of a peeling wave. As a former surf instructor, I will not only teach you about the joy of wave riding, but as well as the etiquette, the culture, how the ocean works, and exactly how to surf. Also dive into my world as a wave rider since I was a little grom. Enjoy!
