Digital Series. Episode 14 - season finale:

A ruthless massacre. Thick clouds of gunsmoke stinging your eyes. Musket fire. In the small town of Perryville, Kentucky, the Northern and Confederate armies have been pitted against each other. Smoke engulfs the hills. Wherever you look, there are fallen men. But it's all just a game. A re-enactment for the anniversary of a Civil War battle. The uniforms and even the weapons are authentic. Only the bullets are fake. Except for one, which plows through the wooden side of the grandstand. Just missing the head of Senator Kendall Whatley. Was it an accident? An attack? Maybe even an act of terrorism? Special Agents Jeremiah Cotton and Philippa Decker are put on the case. They soon find out that not all of the residents of Perryville take kindly to the senator. So they decide to give the perpetrator an opportunity to strike again - the great ball at the end of the anniversary festivities, where everyone will be dressed in historical garb ...

A new legend is born! COTTON FBI is a remake of a world famous cult series with more than one billion copies sold and appears bi-weekly with a self-contained story in each e-book episode.
