## **Destini (Italian Edition)** Anna Maria Palmieri

Ivy è una ragazza un po' speciale, a volte fa dei sogni strani che al suo risveglio le lasciano tracce evidenti sul corpo. Nonostante ciò, conduce una vita normalissima, divisa fra le sue due inseparabili amiche - Annie e Charlotte – lo studio, la pittura e la musica.

Fino a quando a scuola non arriva un nuovo studente, Ian.

Da quel momento l'esistenza della ragazza è destinata a cambiare, un'aura di mistero circonda il nuovo arrivato. Frequentarlo significherà per Ivy accedere a una nuova dimensione, fatta di strane coincidenze, eventi inspiegabili e presenze inquietanti.

In questo incalzante succedersi dei fatti, l'amore che nel frattempo nasce tra i due ragazzi, impetuoso come un mare in tempesta, non sembra destinato a essere appagato.

Qualcosa o qualcuno gli si oppone con feroce determinazione.

E se non si trattasse di creature umane?

### **From reader reviews:**

#### **Marie Aultman:**

Book is to be different for every grade. Book for children right up until adult are different content. To be sure that book is very important normally. The book Destini (Italian Edition) had been making you to know about other knowledge and of course you can take more information. It doesn't matter what advantages for you. The publication Destini (Italian Edition) is not only giving you more new information but also to become your friend when you sense bored. You can spend your spend time to read your publication. Try to make relationship using the book Destini (Italian Edition). You never sense lose out for everything in the event you read some books.

#### **Daniel Hayes:**

Nowadays reading books are more than want or need but also turn into a life style. This reading habit give you lot of advantages. The huge benefits you got of course the knowledge the particular information inside the book in which improve your knowledge and information. The info you get based on what kind of book you read, if you want get more knowledge just go with education books but if you want truly feel happy read one with theme for entertaining such as comic or novel. The actual Destini (Italian Edition) is kind of reserve which is giving the reader capricious experience.

#### **Jim Loop:**

You can spend your free time to study this book this book. This Destini (Italian Edition) is simple to create you can read it in the recreation area, in the beach, train and soon. If you did not include much space to bring the particular printed book, you can buy the particular e-book. It is make you much easier to read it. You can save the book in your smart phone. Therefore there are a lot of benefits that you will get when you buy this book.

#### **Herman Jenkins:**

Do you like reading a guide? Confuse to looking for your chosen book? Or your book has been rare? Why so many problem for the book? But any people feel that they enjoy regarding reading. Some people likes reading through, not only science book but novel and Destini (Italian Edition) or perhaps others sources were given know-how for you. After you know how the truly great a book, you feel want to read more and more. Science book was created for teacher or perhaps students especially. Those guides are helping them to add their knowledge. In some other case, beside science guide, any other book likes Destini (Italian Edition) to make your spare time much more colorful. Many types of book like this.
