Linda S. Godfrey

**Monsters Among Us: An Exploration of Otherworldly Bigfoots, Wolfmen, Portals, Phantoms, and Odd Phenomena** Linda S. Godfrey  
**Mysterious wolf-people, sentient mists, and UFOs . . . oh my!**

If you've ever heard an inexplicable bump in the night, caught a glimpse of a strange-looking someone (or *something*?) out of the corner of your eye, or seen an unusual craft dart across the sky before it vanishes without a trace, there's only one person to call. . . .

Linda S. Godfrey—author of numerous books that offer rare reporting on bigfoots, werewolves, strange energy forms, and other bizarre beings—explores the mystical, legendary, and scientific angles of these creatures . . . and the surprising secret portals and doorways some may use to enter our world. Within these pages, you will encounter:

- \* first-hand testimony of a terrifying transformation from woman to beast (during a church service, no less)
- \* the Lost Lizard People of Los Angeles
- \* a growling, phantomlike home invader
- \* wolfmen who walk on two legs
- \* people stalked by invisible predators

Delivering a broad mix of modern-day and historical sightings, supported by Godfrey's interviews with eyewitnesses, *Monsters Among Us* is a meticulously researched and expertly written exploration of the otherworldly that will challenge your idea of reality.

*From the Trade Paperback edition.*
