## Openings: Poems Wendell Berry

In Openings Wendell Berry speaks as a citizen, farmer, husband, and father and as a man deeply concerned about the state of the nation. He writes both to celebrate the natural world and to warn of the destruction we inflict on it. He writes about our responsibilities to ourselves and to one another and about America's misuses of power. He writes, in poems that are tender and passionate, of love for his wife and of the pleasures and anxieties of parenthood. In a highly acclaimed extended sequence entitled "Window Poems" he weaves together all of his dominant themes.
