## **Small Animal Dermatology: Self-Assessment Color Review (Veterinary Self-Assessment Color Review Series) Karen Moriello**

This book uses a case-based format to provide a general overview of dermatology of the dog and cat. It contains over 200 clinical cases and self-assessment problems reviewing the most common skin diseases encountered in clinical practice, plus some more obscure diseases that a veterinarian will encounter only occasionally or rarely. The cases appear randomly to reflect real life practice and vary in complexity. Coverage ranges from the more easily treatable to the most difficult and serious cases.
